

# SparQ 1 Gigabyte

## Removable Cartridge Drives

for PC

 [Hear about SparQ!](#)  
[No audio? - Text version](#)

Launch your creativity to new heights with a new SparQ 1 Gigabyte drive! With enough storage to hold over 650 floppies-worth of data on one cartridge, these 1 Gigabyte drives can backup your laptop or system in minutes - leaving other removable cartridge drives in the dust! And with this titanic capacity and fast-as-a-hard drive speed, a SparQ is the obvious choice for games, presentations, software programs or whatever sparks your fancy!

A SparQ 1 Gigabyte drive is the logical choice for small/home offices, business travelers, families, students, graphic artists, web surfers, gamers, presenters, software programmers and writers. SparQ for work, SparQ for play, SparQ Everyday!
